

Your standard academic-year educational budget assumes average, reasonable costs associated with the pursuit of your Penn degree. In certain circumstances, your educational budget can be increased to accommodate individual differences. Any approved increase will only result in additional borrowing eligibility (provided you meet requirements) through an unsubsidized loan program, e.g., Direct PLUS or alternative loans. This will result in additional debt at graduation. **All documents are required to be uploaded via our [secure portal](#). Due to the sensitive nature of materials e-mail submissions will not be accepted.**
