As you begin your onboarding process, there are a few things we would like you to know to help the process go as smooth as possible.

**What is Workday?**

Workday is our Human Resources/Payroll platform where all your employment information is kept. There are many things you can do on your own in Workday, such as selecting how you would like to get paid and changing your address. Your Workday homepage will also include notifications regarding onboarding under the “Announcements” section. There are links in that notification to provide more information.

**Penn ID?  Penn Key?  Penn Card?**

These things sound very similar, but they are different!

Your **Penn ID** is an 8-digit number unique to you as a member of the Penn Community

Your **Penn Card** is your identification card unique to the University of Pennsylvania. This is very important for you to access buildings within the University.

Your **Penn Key** is a combination of a username and password you will need to access the network and its applications:

- **Your PennKey Username**
  
  Your username is unique. In many schools and centers, your username will also be used for your email address. Choose your PennKey username wisely!

- **Your PennKey Password**
  
  To protect your personal information and Penn resources, your PennKey password needs enough length, variety, and unpredictability to qualify as secure. You should never, under any circumstances, share your PennKey password with anyone.

- **Two-Step Verification**
  
  Two-Step Verification protects you even if your PennKey password becomes compromised. Two-Step helps to keep your personal data and Penn’s systems safe. You will need to complete this step to log in to Workday. To complete this process, please visit:

**What is “Onboarding” and what do I need to do?**

Your onboarding will start with your department as you are hired into Workday. From there, you will have several tasks you need to complete.

You will receive an email asking you to set up your **Penn Key**. Make sure to keep this information to avoid any login issues.
There will be several tasks in your Workday inbox. One of those tasks will be **Complete Form I-9.** This is your authorization to work at Penn and you will not be able to work unless your work authorization is complete.

**What is an I-9 Work Authorization?**
Form I-9 is used to verify the identity and employment authorization of individuals hired for employment in the United States.

**I-9 Part One**
Section One of your I-9 is self-service. You will complete it yourself in Workday. You will enter name, address, DOB, and SSN, if applicable. You will also attest to your citizenship status.

**I-9 Part Two**
**Onboard@Penn** will help you complete part two of your I-9. We have professionals that will view your **unexpired and original documents** to confirm your identity and work authorization. Attached is the list of acceptable documents. The list can also be found here:

**Completing Part Two of your I-9 is an in-person task and is required by Federal law.**

**So, I completed my work authorization, what’s next?**

You will need to log back into your Workday inbox to complete any remaining tasks.

If your Workday inbox is empty and you received “Onboarding Past Due” notifications, you need to complete Part Two of your I-9.
