Submit Your Critical Data Updates in 3 Easy Steps!

Critical personal information is considered sensitive and must be documented and verified by the Office of the University Registrar (OUR). Critical Information includes:

- Legal Name
- Social Security Number
- Date of Birth
- Diploma Name
- Marital Status
- Citizenship Status

1. Access Path Forms using the menu on Path@Penn or use this link to access the Student Data Update Form.

2. Enter Student Information then select the type of critical information to be updated from the I would like to: box.

3. A list of required verification documentation displays based on the selection.
   Click the Attach Documents button to upload the request documentation. When finished, click Submit.

Once submitted, the request and attached documentation is sent to the OUR for verification and processing.
